

# You Raise Me Up

by Brendan Delumpa

*You Raise Me Up*

*Csus2 G/B Em7*  
Intro vamp...

## **Verse 1**

*Csus2 G/B Em7*  
Who am I Lord that You'd call to me?  
*Csus2 G/B Em7*  
am I worthy of Your love?  
*Csus2 G/B Em7*  
Yet You show me all that I can be  
*A Asus A*  
You lift me up...  
*C D*  
with the power of Your Word!

## **Verse 2**

*Csus2 G/B Em7*  
I can't claim to know Your mysteries  
*Csus2 G/B Em7*  
they're like a secret, so con-cealed  
*Csus2 G/B Em7*  
But You shine Your light so I can see  
*A Asus A*  
what You've re-vealed...  
*C D*  
in the glory of Your Name!

## **Chorus**

*Csus2 G*  
You raise me up!  
*D*  
I drink the cup  
*Em*  
that seals my faith in You, Lord  
*Csus2 G*  
And I am filled  
*D*  
with all Your grace.  
*Csus2 G*  
Where eagles fly  
*D*  
My heart will cry  
*Em*  
out to Your people Lord

*A*  
and in the shadow of your wings  
*C D*  
my joyful heart will always sing  
*Csus2 G/B Em7*  
Your love... (2x first and third endings)  
*Em*  
Your love...(second ending before bridge)

## **Verse 3**

*Csus2 G/B Em7*  
Why You've chosen me Lord, I don't know  
*Csus2 G/B Em7*  
But I will do all that I can  
*Csus2 G/B Em7*  
Where You send me, Lord You know I'll go  
*A Asus A*  
I'm at Your command  
*C D*  
I'm here to do Your will!

## **Bridge**

*Am*  
I never doubt Your word  
*F Em*  
but my fears go on and stir inside me,  
*D*  
I shrink away  
*F*  
And yet in spite of me  
*Am D D/C*  
Your love and grace will conquer all  
*G/B D*  
and guide my way!
